SWAN HILLS

What is LETS?

LETS stands for Local exchange trading system. It's a non-profit community trading network which is run for and by local people who want to share their skills with each other. You benefit by meeting local people, making new friends and getting jobs done. It's a way to learn new skills too. Your Federal dollars will stretch further and you get to help others in the process; it's win-win for all

The true wealth of a community lies in the talents, skills and services which we have to offer each other, not in money. LETS builds community by keeping the local 'wealth' local.

**LETS
WORKS!**

How SwanHillsLETS Works

SwanHillsLETS is your local LETS group and covers Kalamunda, Mundaring, Forrestfield, Swan View, High Wycombe, Lesmurdie and surrounding suburbs. There are many LETS groups in W.A covering much of the state.

SwanHillsLETS members receive a trading directory which lists the goods and services offered. Trading is carried out between members using our trading currency called 'Gumnuts'. Transactions of 'Gumnuts' are recorded into your account on our website or by elected trustees via post. You can earn and spend 'Gumnuts' with any member in the system. Everyone has something to offer.

What you can trade for 'Gumnuts'

You can spend 'Gumnuts' on many goods and services provided by our members. Examples include computer skills, transport, alternative healing, busy bees, massage, childcare, cleaning, fresh produce, tools and other equipment for hire, gardening, trade services or whatever members are offering at the time.

A good way to trade is get to know other members by attending the social events, meetings, trading days and reading our monthly newsletter.

We want you to join because the more SwanHillsLETS members, the wealthier we all are!

For joining details, PTO.
